

Dear Valued Venison Customers,

It is with much regret that StoneRidge is informing our wild game customers that as of June 17, 2019 we will no longer be accepting whole or quartered game carcasses. StoneRidge is still accepting boneless trim for the 2019 season, but will no longer be cutting deer, bear, elk and other wild game.

After 45 years of servicing all your wild game needs, this was a difficult decision made after much discussion and exploring many options. Due to the exponential growth in recent years of StoneRidge's Wholesale business, it has become no longer feasible to continue processing wild game carcasses.

We would like to thank our loyal customers for the opportunity to serve you for all of these years, and we look forward to continue processing your boneless wild game into our wide array of delicious sausage products. If you have any questions, please call (920) 787-5444 and choose the venison option.

Sincerely,

Duane Detjens  
President

## SAUSAGE PROCESSING INFORMATION

**PLEASE NOTE:** Due to the batch size we process you are not guaranteed to get back your own meat.

All venison/wild game is frozen the day it arrives at our facility.

We accept fresh and frozen venison/wild game. It must be boneless, trimmed and clean. *We reserve the right to refuse any venison/wild game that we do not feel meets our standards.*

All sausage is vacuum sealed and frozen.  
All sausage products are made with pork.

When you bring in your venison we add pork which equals half the weight of your venison. This will equal 1/3 of the total product weight.  
Ex. 10# venison (+) 5# pork (=) 15# total

Keep in mind all smoked sausage does shrink while smoking.  
Ex. 10# venison summer sausage (-) (15% smoke-house shrink) (=) 8.5# take home summer sausage.

All prices are based on total weight after pork is added.  
Ex. 10# venison (+) 5# pork (=) 15# summer sausage (x) \$3.00lb (=) \$45.00

We will call when your order is completed. Due to the high volume of sausage processing, we ask that you pick up your order within 3 days of notification. All orders not picked up within 2 weeks of the calling date will be charged a freezer fee.

We strive to give our customer the very best products as quickly as we can. But do remember, quality does take time. We assure you that the wait will be well worth it.
